We are delighted to invite you to this **'If my people...'** event.

"If my people, which are called by my name, will humble themselves and pray and seek my face and turn from their wicked ways, then will I hear from heaven and will forgive their sin and will heal their land."

2 Chronicles 7:14

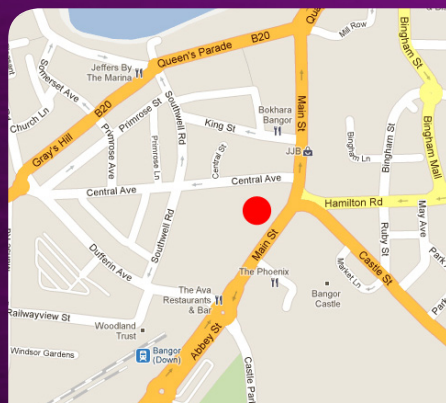

Crown Jesus Ministries, in partnership with twenty one local churches, is in the middle of a five month evangelistic project in Bangor. As part of this 'If my people...' event will be the opportunity to pray for God's powerful blessing upon this special initiative.

We are delighted to welcome Rev. Ian Coffey as our guest speaker. Having led churches Ian is now involved in training a new generation of people for servant leadership. He is Vice Principal and Director of Leadership Training in Moorlands Bible College, Dorset. He writes and teaches on the subject of leadership and has been powerfully used by God as a public speaker. Ian is married to Ruth and they have four adult sons and three beautiful granddaughters. He has a passion to teach the Bible in a language that people can understand. It is a real joy to have Ian with us and we eagerly anticipate what God will lay upon his heart.

It is also a joy to welcome Suzanne Hanna who with the 'If my people...' worship team will lead us in praise to God. For many years Suzanne led worship at 'If my people...' before taking up her role of Worship Director in Bangor Elim. We are thrilled that she will be joining with us again for this special night.

This will be a wonderful evening that you do not want to miss. We encourage you to come along and bring your praying friends, so that together we can once again lift this nation before our great God.
